I have read the syllabus (either in paper or online), and I understand the classroom policies, instructor's expectations, and rules (e.g. technology and text requirements, grading system, attendance policy, academic integrity policy, assignment responsibilities, blog posting, etc.) as stated in the syllabus for this course. If I have any questions or concerns, I will contact the instructor for further explanation. I understand that I am responsible for completing all homework assignments, quizzes/in-class assignments, and projects by the due dates as outlined in the syllabus.
